

Deň Zeme na hodinách nemeckého jazyka

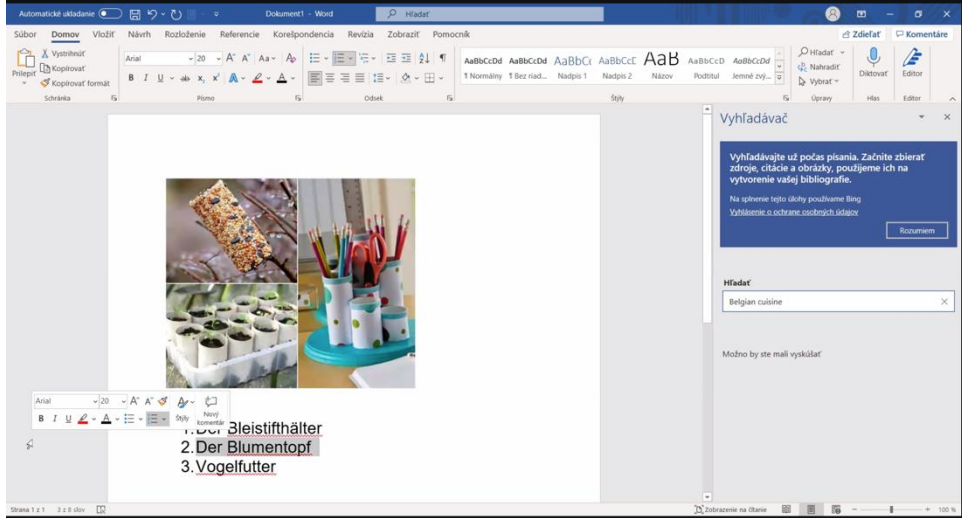

Environmentálna problematika a ekologické témy nie sú našim žiakom cudzie. Aj naši nemčínari si pripomenuli deň Zeme – „Der Tag der Erde“ – online tvorivými eko- aktivitami v skupinách. Šikovní grafici a výtvarníci vytvorili logo ku Dňu Zeme, iné skupiny žiakov vytvorili návody na recyklovanie a tvorbu nových produktov z plastu a papiera. Žiaci prispeli svojou prácou k ochrane životného prostredia a zároveň sa oboznámili s novou slovnou zásobou k téme.

The screenshot shows a 3D modeling software interface. In the center, a globe of the Earth is being held by two hands. The globe is decorated with various animals and plants, including a horse, a cow, a pig, a rabbit, a bird, and a butterfly. The software interface includes a toolbar at the top and a 3D viewer on the right side.

The screenshot shows a Microsoft Word document titled "Blumentöpfe aus Plastikflaschen". The text in the document reads: "Wir schneiden die untere Hälfte der Plastik-PET-Flasche aus. Malen sie nach unserer eigenen Vorstellung. Geben Ton hinein und pflanzen eine Blume." Below the text, there are three images: a white plastic bottle with a face drawn on it, a pink pig-shaped planter, and a white rabbit-shaped planter. The document is displayed in a window titled "Nový prázdny Dokument Microsoft Word".

The screenshot shows a Microsoft Word document with a search bar on the right side. The search bar contains the text "Belgian cuisine". Below the search bar, there is a list of items: "2. Der Blumentopf" and "3. Vogelfutter". The document is displayed in a window titled "Dokument1 - Word".
